

ST. MICHAEL SCHOOL

OPEN ENROLLMENT GRADES K-6

**Faith-based
education**

At St. Michael, we partner with parents to nurture the whole child, mind, heart, and soul. Rooted in faith and guided by strong Catholic values, our school provides a safe, loving environment where children are known, challenged, and encouraged to grow.

**Where we walk
with God, learn,
grow, and serve!**

With dedicated teachers, small class sizes, and a focus on academic excellence, service, and character, students are prepared for success and in the classroom, but for a life of purpose and compassion.
